Dear Sir:

Applicants filed an Information Disclosure Statement (IDS) and Form-1449 listing various references on December 17, 2003. One of the listed references (C6) was large (in excess of 950 pages), and Applicants opted to submit it as a CD-ROM on compact disc.

Applicants subsequently received a Notice to File Missing Parts dated July 21, 2004. The Notice indicated that the compact disc failed to comply with 37 CFR 1.52(e).

Applicants did not file the compact disc under 37 CFR 1.52(e) (computer program listing, sequence listing, or table in excess of 50 pages), but rather as a legible copy of a publication under 37 CFR 1.98(a)(2)(ii).

Certificate of Express Mailing

I hereby certify that this paper or fee is being deposited with the U.S. Postal Service "EXPRESS MAIL POST OFFICE TO ADDRESSEE" service under 37 C.F.R. 1.10 on the date indicated below and is addressed to: Mail Stop Missing Parts, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

If the submission of a large cited reference on compact disc as a CD-ROM is unacceptable, then Applicants will re-submit the reference in paper form for the Examiner's consideration.

Applicants respectfully request that the objections to the application described in the Notice to File Missing Parts be withdrawn

Respectfully submitted,
